

North East Business & Innovation Centre (BIC)...
...so much more than a prestigious business location

The North East BIC is a business complex with a difference. With business space for up to 160 tenant businesses, the BIC combines the perfect business location, with excellent accommodation and business services.

Our infra-structure means telecoms, IT, utilities and maintenance services are taken care of, and on-site clients also benefit from special discounts on a wide range of services including marketing, administrative services and conference facilities.

Accommodation is varied and includes incubation space, laboratories, offices and industrial space of all sizes. All clients have access to our impressive communal meeting areas, café and over 700 free car parking spaces.

To find out more about any of the services offered by the BIC please visit www.ne-bic.co.uk or email info@ne-bic.co.uk
